This is the time set for the continued Simpson bail hearing.

The Court notes that it held a discussion with Counsel prior to this hearing regarding the matter of having a still camera in the courtroom.

To the extent that the Court's previous orders were unclear, the Court directs the media with cameras that the intention of the Court is that this is to be gavel to gavel coverage of the proceedings and not photography during any recesses.

Defense Counsel requests to make the signed media coverage documents a part of the record. The Court notes that it has kept those documents as a part of the Court's own file, but the Court is willing to provide copies to Counsel.
